

Welcome to our parish!

We are blessed to have you worship with us as we nurture each other in faith and pray you enjoy all that our parish has to offer. Please introduce yourself after Mass and contact our parish office if we can be of help during your visit – we look forward to meeting you!

As Catholics, part of our great joy is embracing God's presence within a shared faith community...whether in our hometown parish or the Catholic Church that serves us while away from home. The shared reverence and bond we feel as Catholics entering God's House is a source of joy and peace, joining us together:

“You are strangers no longer. No, you are fellow citizens of the saints and members of the household of God.”

Ephesians 2:19

Of course support of your hometown parish is your first priority but **we humbly ask for your consideration on investing in our parish offertory and Diocesan Appeal** to help ensure our parish and Diocese can be one of your partners in faith to bring to life the ministries and sacraments from which all our hearts are nourished. All parishes around the world are branches of the larger vine of the greater Catholic Church:

“I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit; apart from me you can do nothing.” John 15:5

Thank you and God Bless!
